

# We are an anti-bullying school!

---

We believe that school should be a safe and happy place for all at St. Ninian's.

We believe that we should respect each other's views, feelings and beliefs.

Our school policy and practice on "Inappropriate Behaviour and Bullying" is known by staff & pupils who actively watch for any incidents.

Dealing with these issues has to be a joint effort between pupils, staff and parents. We will actively investigate every case that is reported.

As a member of our school community you have a right to be safe and happy at St Ninian's.

You do not have to put up with inappropriate behaviour or bullying. Tell someone if it happens to you.

Tell someone if you see it happening to others.

Send an e-mail to: [snhs\\_bin\\_the\\_bullies@online.sch.im](mailto:snhs_bin_the_bullies@online.sch.im)

This is checked regularly by senior staff and information is acted on.

## **Parents/Guardians**

Sometimes bullying takes place outside of School and although we have no direct authority in such cases, we do ask that you inform us if you feel that it may cause problems during school time.
